

Focus on Energy participating utilities

UTILITY ELIGIBILITY

Customers are eligible for electric-saving measures if they purchase electricity from one of the utilities on the participating electric provider list. Customers are eligible for gas-saving measures if they purchase natural gas from one of the utilities on the participating natural gas utility list. This list is subject to change. For questions or more information, contact Focus on Energy at 800.762.7077.

Focus on Energy works with eligible Wisconsin residents and businesses to install cost-effective energy efficiency and renewable energy projects. Focus information, resources, and financial incentives help to implement projects that otherwise would not be completed, or to complete projects sooner than scheduled. Its efforts help Wisconsin residents and businesses manage rising energy costs, promote in-state economic development, protect our environment, and control the state's growing demand for electricity and natural gas. For more information, call **800.762.7077** or visit **focusonenergy.com**.
