A **FURNACE (natural gas, LP, or oil-fired) = \$150** * Air Handlers are not eligible for this Reward.
Customer must purchase electricity from a participating utility to qualify for this Reward.
Visit focusonenergy.com/hvac for list of participating utilities.

1. QUALIFIED MODEL must:

- Have an Annual Fuel Utilization Efficiency (AFUE) of 90% or greater.
- Have a multi-stage burner.
- Have a variable-speed motor (furnaces with PSC or multi-speed motors are not eligible).
- Be a sealed-combustion unit.
- Must be the primary heating source for the home's living space.

2. Equipment eligibility is based on the Air Conditioning, Heating and Refrigeration Institute (AHRI) database (ahridirectory.org) and other reliable sources.

3. This Reward is only available for pre-qualified models. A list of qualified equipment can be found at focusonenergy.com/hvac or by calling 800.762.7077.

4. Chimney liners must be installed where a high-efficiency gas furnace replaces an atmospherically-drafted furnace and only a water heater remains vented through the chimney. The interior opening left by the removed furnace must be closed with a metal cap and then sealed with caulk or mortar.

B **CENTRAL AIR CONDITIONER or AIR-SOURCE HEAT PUMP = \$100**
Must be installed at same time as qualified furnace * Air Handlers are not eligible for this Reward.

DUCTLESS/MINI-SPLIT SYSTEM = \$100 PER CONDENSER

Customer must purchase electricity from a participating utility to qualify for these Rewards.
Visit focusonenergy.com/hvac for list of participating utilities.

1. CENTRAL AIR CONDITIONER or AIR-SOURCE HEAT PUMP must:

- Be installed at the same time as a furnace that qualifies for the Furnace Reward (see above).
Incentive is not available with furnaces that were previously installed.
If installing a qualified furnace and air conditioner between October 1 and March 31, and the condenser cannot be set:
 - The evaporator coil must be installed at the same time as the furnace.
 - The invoice must include the condenser model and state that equipment will be installed in the spring.
 - The Reward application must be submitted within 30 days of the furnace and evaporator coil installation.
- Be 15 SEER or greater, considering the evaporator coil, condenser coil, and furnace fan motor.
- Include a thermal expansion valve (TXV) or electronic expansion valve (EXV/EEV).
- Replace both the evaporator and condenser coil.
- Achieve proper refrigerant charge and airflow (see focusonenergy.com/hvac for protocol).
- Meet the manufacturer's specifications for refrigerant line diameters.

2. DUCTLESS/MINI-SPLIT SYSTEM must:

- Include more than one indoor unit installed to allow for whole-house zoning. Indoor units may be connected to one or multiple outdoor units. Rewards will be paid based on the number of qualified outdoor units installed.
- Be 15 SEER or greater on all indoor/outdoor combinations.
- Include a thermal expansion valve (TXV) or electronic expansion valve (EXV/EEV).

3. The condenser model and serial number, evaporator model and serial number, and AHRI reference number are required for all combinations on both types of systems.

4. Equipment eligibility is based on the AHRI database (ahridirectory.org) and other reliable sources.

OFFER AVAILABILITY

- Focus on Energy Rewards are available to Wisconsin residential customers of participating utilities. Call 800.762.7077 or visit focusonenergy.com/hvac for details.
- **This application covers products purchased and installed between July 1, 2011 and December 31, 2011.** A completed and signed application with a copy of the invoice must be postmarked within 30 days of installation. Incomplete applications and applications postmarked after 30 days will be returned to the applicant.
- Submitted invoice(s) must include manufacturer's make and model number.
- Keep a copy of the completed Reward application for your records.
- Focus on Energy reserves the right to change or discontinue this program at any time. The acceptance of program applications is determined solely by the Focus on Energy program administrator and acceptance of this application does not guarantee payment of a Reward.
- Some Focus participating electric and/or natural gas providers have incentive programs outside of Focus on Energy. Customers of these providers may not qualify for incentives from both programs. These customers should check with their electric and/or natural gas provider to verify eligibility for dual incentives in order to comply with program rules.
- Rewards may be available for projects for multi-family and business customers. If you are installing equipment in a multi-family (4+ units) building or business, please download the appropriate Reward application at focusonenergy.com/financialincentives or call 800.762.7077 to obtain a copy.

PROGRAM REQUIREMENTS

- All equipment must be new. Used or rebuilt equipment is not eligible for a Reward.
- Equipment must meet efficiency levels and specification requirements. Equipment eligibility is verified through the AHRI Directory of Certified Efficiency Ratings Product Performance (www.ahridirectory.org) and other reliable sources. A list of qualified equipment can be found at focusonenergy.com/hvac or by calling 800.762.7077. Energy Guide rating may NOT be substituted for AHRI information.
- Equipment must be installed prior to submitting the application form, unless explicitly noted otherwise by Focus on Energy.

TERMS AND CONDITIONS

By submitting this application, the signatory(ies) and applicant(s) agree to the following:

- The Focus on Energy program, the program administrator, the State of Wisconsin, and participating utilities:
 - Do not endorse any particular ally, manufacturer, product, or system design by offering these Rewards.
 - Are not responsible for any tax liability imposed on the recipient as a result of the payment of Rewards.
 - Make no representation or warranty, and assume no liability with respect to the quality, safety, performance, or other aspect of any design, consulting, product, system, equipment, or appliance installed or received and expressly disclaim any such representations, warranties, and liability, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. Please contact your contractor for detailed manufacturer equipment warranties.
 - Do not guarantee that installation and operation of energy-efficient equipment will result in reduced usage or in cost savings.
 - Are not responsible for the proper disposal/recycling of any waste generated as a result of this project.
 - Are not liable for any damages, including any incidental or consequential damages, arising out of the operation or malfunction of the products, equipment, or appliances, or the installation thereof.
- Signatory(ies) and applicant(s) shall indemnify the Focus on Energy program, its administrator, the State of Wisconsin, and participating utilities, their respective affiliates, subsidiaries, parent companies, officers, directors, agents, and employees against all losses, damages, expenses, fees, costs and liability arising from any design, consulting, product, system, equipment, or appliance.
- The Focus on Energy program will only pay one Reward for each piece of equipment. Rewards paid on this application cannot be claimed on another Focus on Energy application. Similarly, Rewards can only be paid to one person or entity (i.e., either the new homeowner or the builder, not both).
- Rewards are only payable to the eligible recipient; Rewards cannot be assigned by the recipient to any other party or parties.
- The Focus on Energy program administrator reserves the right to publicize customer's, contractor's, and applicant's participation in this program, unless specifically requested otherwise in writing.
- Customers, contractors, allies, and others may not use the "Focus on Energy" name or logo in any marketing, advertising, or promotional material without prior written consent from the Focus on Energy program administrator.
- A Focus on Energy program representative may schedule a site visit to verify that qualified products, systems, equipment, or appliances were installed.
- The Focus on Energy program administrator may refuse payment and participation if the signatory(ies), applicant(s), customer(s), or contractor(s) violate program rules or procedures.

FORM SUBMITTAL: Return signed, completed form and ITEMIZED invoice(s) within 30 calendar days of installation and no later than January 30, 2012.
