

**APARTMENT & CONDO  
INCENTIVE APPLICATION & FACT SHEET  
REQUEST FORM**

Focus on Energy works with eligible Wisconsin residents and businesses to install cost effective energy efficient and renewable energy technologies. Focus information, resources and financial incentives help to implement projects that otherwise would not get completed, or to complete projects sooner than scheduled. Its efforts help Wisconsin residents and businesses manage rising energy costs, promote in-state economic development, protect our environment and control the state's growing demand for electricity and natural gas.
