City, State Zip:	

- List completed project(s)
- Attach all information required per project and building type as specified on your application. Specifically,
 - For buyer/owner income qualification, a confirmation letter of participation from HOME or CDBG Program is required.
 - For building verification, final testing report from FOCUS consultant is required.
 - Education receipt(s).
- You may make multiple incentive requests of completed projects at one time. However, when you make multiple requests on one form, please be sure that accompanying documentation has the correct project address for verification.
- Incentive payment for the final project of your organization will be dependent on the education requirement being fulfilled.
