

Wisconsin State Energy Efficient Appliance Rebate Program

Program Approved Retailers

The listed retailers are eligible to provide proof of recycling for refrigerator and freezer reward applications. These retailers have agreed to take all old appliances picked up through the program out of service and recycle them properly. The retailer or their pick-up service must sign the reward application acknowledging that the old appliance was picked-up when the new appliance was delivered and installed. Retailers not listed are not eligible to provide proof of recycling for refrigerator and freezer reward applications. You will need to find an alternate method to provide proof of recycling for your reward application. This program is funded in part by the Wisconsin Department of Administration, Office of Energy Independence.

Wisconsin State Energy Efficient Appliance Rebate Program

Program Approved Retailers

The listed retailers are eligible to provide proof of recycling for refrigerator and freezer reward applications. These retailers have agreed to take all old appliances picked up through the program out of service and recycle them properly. The retailer or their pick-up service must sign the reward application acknowledging that the old appliance was picked-up when the new appliance was delivered and installed. Retailers not listed are not eligible to provide proof of recycling for refrigerator and freezer reward applications. You will need to find an alternate method to provide proof of recycling for your reward application. This program is funded in part by the Wisconsin Department of Administration, Office of Energy Independence.
