

These sheets contain lists of ENERGY STAR® qualified Freezers that qualify for Cash-Back Rewards through the Wisconsin State Energy Efficient Appliance Rebate Program. A current list can be found at all times on the Web site (focusonenergy.com/recovery). This program is funded in part by the Wisconsin Department of Administration, Office of Energy Independence.

Key

- Model numbers often contain wildcard characters, such as *, #, and X, that are placeholders for non-energy attributes, such as color.
- *Red italics* indicate that a product has been discontinued. Discontinued models are no longer manufactured, but may still be available in the marketplace.

ENERGY STAR Qualified Freezers: 4/20/2010
