OFFER AVAILABILITY

- **In order to receive the additional funds from WPS the customer must:
 - Have WPS as their electric utility to receive the furnace reward (additional \$250)
 - Have WPS as their natural gas utility to receive the boiler reward (additional \$200)
- Focus on Energy Rewards are available to Wisconsin residential customers of participating utilities. Call 800.762.7077 or visit focusonenergy.com for details.
- The application covers products purchased and installed between January 1, 2011 and December 31, 2011. A completed and signed application with a copy of the invoice must be postmarked within 90 days of installation. Incomplete applications and applications postmarked after 90 days will be returned to the applicant.
- Submitted invoice(s) must include applicable measure and if required manufacturer's make and model number.
- Keep a copy of the completed Reward application for your records.
- Focus on Energy reserves the right to change or discontinue this program at any time. The acceptance of program applications is determined solely by the Focus on Energy program administrator and acceptance of this application does not guarantee payment of a Reward.

PROGRAM REQUIREMENTS

- **The WPS Bonus rewards** are only available to current WPS gas and electric customers. In order to receive the WPS bonus rewards qualifying customers must complete three recommended insulation, air sealing, and combustion safety measures within six months of the initial assessment. Cash-Back Rewards and WPS bonus cannot exceed installed cost and/or \$3,000 per household. This Focus on Energy program is funded by Wisconsin Public Service and is limited to WPS residential customers as defined by the "decoupling" rate agreement between WPS and the Citizens Utility Board.
- Either a Home Performance Assessment or a Rating is required to qualify for Cash-Back Rewards through Home Performance with ENERGY STAR.
- In order to receive the current level of Cash-Back Rewards, consumers must complete the recommended improvements and have the post-test done in the current program year.
- Cash-Back Rewards cannot exceed installed cost.
- Homes must receive natural gas service from a participating gas utility or be heated with more than 50% electric heat from a participating electric utility to be eligible for Cash-Back Rewards on Building Shell measures. Homes heated primarily with oil, LP, or wood are not eligible to receive Cash-Back Rewards on Building Shell measures.

Cash-Back Reward Eligibility Summary
January 1, 2011 to December 31, 2011**

- For all other rewards, homes must receive natural gas service from a participating gas utility to be eligible for measures that save natural gas. Homes must receive electric service from a participating electric utility to be eligible for measures that save electricity.
- Some improvements may also qualify for Federal Tax Credits. To learn more, visit energystar.gov/taxcredits. Customers may combine Focus on Energy Cash-Back Rewards and Federal Tax Credits for measures that meet the requirements of each. Requirements do vary, so consult the appropriate resource for details.

FOCUS ON ENERGY TERMS & CONDITIONS

By submitting this application, the signatory(ies) and applicant(s) agree to the following:

- The Focus on Energy program, the program administrator, the State of Wisconsin, and participating utilities:
 - Do not endorse any particular ally, manufacturer, product, or system design by offering these Rewards.
 - Are not responsible for any tax liability imposed on the recipient as a result of the payment of Rewards.
 - Make no representation or warranty, and assume no liability with respect to the quality, safety, performance, or other aspect of any design, consulting, product, system, equipment, or appliance installed or received and expressly disclaim any such representations, warranties, and liability, including, but not limited to, any implied warranties of merchantability or fitness for a particular purpose. Please contact your contractor for detailed manufacturer equipment warranties.
 - Do not guarantee that installation and operation of energy-efficient equipment will result in reduced usage or in cost savings.
 - Are not responsible for the proper disposal/recycling of any waste generated as a result of this project.
 - Are not liable for any damages, including any incidental or consequential damages, arising out of the operation or malfunction of the products, equipment, or appliances, or the installation thereof.
- Signatory(ies) and applicant(s) shall indemnify the Focus on Energy program, its administrator, the State of Wisconsin, and participating utilities, their respective affiliates, subsidiaries, parent companies, officers, directors, agents, and employees against all losses, damages, expenses, fees, costs and liability arising from any design, consulting, product, system, equipment, or appliance.
- The Focus on Energy program will only pay one Reward for each piece of equipment. Rewards paid on this application cannot be claimed on another Focus on Energy application. Similarly, Rewards can only be paid to one person or entity (e.g., either the new homeowner or the builder, not both).
- Rewards are only payable to the eligible recipient; Rewards cannot be assigned by the recipient to any other party or parties.
- The Focus on Energy program administrator reserves the right to publicize customer's, contractor's, and applicant's participation in this program, unless specifically requested otherwise in writing.
- Customers, contractors, allies, and others may not use the "Focus on Energy" name or logo in any marketing, advertising, or promotional material without prior written consent from the Focus on Energy program administrator.
- A Focus on Energy program representative may schedule a site visit to verify that qualified products, systems, equipment, or appliances were installed.
- The Focus on Energy program administrator may refuse payment and participation if the signatory(ies), applicant(s), customer(s), or contractor(s) violate program rules or procedures.
- Some Focus-participating electric and/or natural gas providers have incentive programs outside of Focus on Energy. Customers of these providers might not qualify for incentives from both programs. These customers should check with their electric and/or natural gas provider to verify eligibility for dual incentives in order to comply with program rules.
