

FOCUS ON ENERGY® PARTICIPATING UTILITIES

Customers are eligible for electric-saving measures if they purchase electricity from one of the utilities on the participating electric provider list. Customers are eligible for gas-saving measures if they purchase natural gas from one of the utilities on the participating natural gas utility list. This list is subject to change.

REDUCING ENERGY WASTE ACROSS WISCONSIN

Focus on Energy, Wisconsin utilities' statewide program for energy efficiency and renewable energy, helps eligible residents and businesses save energy and money while protecting the environment. Focus on Energy information, resources, and financial incentives help to implement energy efficiency and renewable energy projects that otherwise would not be completed.
