A. Introduction

Hello, my name is [FIRST NAME], and I am calling on behalf of Focus on Energy to follow up with you about the [PGM NAME] program. Are you the best person to talk to about your household’s experience with the program?

[IF YES] Thank you. Your answers to these questions are confidential and will only be used for research purposes.

[IF NO] Can I speak to someone in your home who was involved and is familiar with that work?

[If customer does not recall, say: To refresh your memory, this was the program where an energy auditor or contractor came to your home and did a several hour inspection and analysis that identified the best ways to increase your home’s energy efficiency. Does this sound familiar?]

[IF TRANSFERRED TO ANOTHER PERSON REPEAT INTRO. IF NO ONE REMEMBERS THE PROGRAM OR IS AVAILABLE THEN THANK AND TERMINATE]

Tack-up information, not to be programmed

[If “No – Not a convenient time,” ask if Respondent would like to arrange a more convenient time for us to call them back.]

[IF NEEDED:] Data gathered from these surveys help Focus on Energy design programs that help customers save money on their utility bills by saving energy in their homes.

[Only if asked] for a Focus on Energy contact to verify the survey authenticity, offer Joe Fontaine with the Public Service Commission of Wisconsin, 608-266-0910

[TERMINATION SCRIPT: “Those are all the questions we have for you. Thank you very much for your time.”]

Hello, my name is [INSERT NAME], and I’m calling on behalf of a statewide research initiative. We are conducting an important study among Wisconsin residents to learn what rebates and incentives you are aware of for products or services that help reduce your home’s energy use. I’m NOT calling about your utility bill or selling anything.

May I please speak with the person who is primarily responsible for your household’s energy-related decisions? This would be the person who is responsible for paying the utility bills or selecting new lighting and appliances. [IF NO ONE IS AVAILABLE, TRY TO RESCHEDULE AND THEN TERMINATE. IF TRANSFERRED TO ANOTHER PERSON REPEAT INTRO AND THEN CONTINUE, OTHERWISE CONTINUE....]

Thank you for agreeing to take part in this survey. Your answers are confidential and will be used only for research purposes.

2. Have received an incentive through one of the following Focus on Energy programs: Business Incentive Program, Multifamily Energy Savings or Chains Stores and Franchises.
3. The first part of this survey addresses the Focus on Energy Program the customer participated in, and the second part addresses the Energy Bundle Bonus incentive they received.
4. Do not mention WPS until it is mentioned in the survey.

[IF A2 = 4 Read:] I see that you participated in several Focus on Energy programs, so were probably contacted about one of the other, state wide programs. This survey is to collect feedback on a program that is only available to customers like you. Because we have a limited number of participants, your opinions are very important to us.

Back-up information, not to be programmed:

[If “No – Not available,” ask if Respondent would like to arrange a more convenient time for us to call them back or if you can leave a message for that person.]

[IF RESPONDENT ASKS HOW LONG, SAY: “APPROXIMATELY 20 MINUTES.”]

[IF NEEDED:] This survey is for research purposes only and this is not a marketing call. Your participation in this study is important so that Focus on Energy can improve the energy-efficiency programs it offers to businesses and other organizations.

[Only if asked for a Focus on Energy contact to verify the survey authenticity, offer Joe Fontaine with the Public Service Commission of Wisconsin, 608-266-0910.]

A. Introduction

This survey is to gather participant feedback on the Schools and Government Program. Although the incentives for this program are offered through Focus on Energy, it is not available to all Focus on Energy customers.

1. To be eligible customers must be a customer of the Wisconsin Public Service/WPS and have participated in the Business Incentive Program or Small Business Incentive Program.
2. The first part of this survey addresses the Business Incentive Program or Small Business Incentive Program, and the second part addresses the Schools and Government Program.
3. Customers may have also participated in the Energy Bundle Bonus Program, but we are not addressing that Program in this survey.
4. Do not mention WPS until it is mentioned in the survey.
A1. Hello, my name is _______ and I’m calling with a short survey on behalf of Focus on Energy. We are conducting a study regarding energy savings programs available to schools and government facilities. [SKIP IF 2\textsuperscript{ND} RESPONDENT] Could I please speak with [CONTACT] or the person who is most familiar with the energy-efficiency decisions for your jurisdiction?

1. Yes
2. No, but person can come to phone [START OVER AT A1 WITH NEW RESPONDENT]
3. No, not available [SCHEDULE CALLBACK]
98. (DON’T KNOW) [ASK TO SPEAK WITH SOMEONE WHO WOULD KNOW AND START AGAIN]
99. (REFUSED) [THANK AND TERMINATE]

Back-up information, not to be programmed:

[If “No – Not available,” ask if you can arrange a time for us to call them back or if you can leave a message for that person.]

[IF RESPONDENT ASKS HOW LONG, SAY: “APPROXIMATELY 15 to 20 MINUTES.”]

[IF NEEDED:] This survey is for research purposes only and this is not a marketing call. Your participation in this study is important so that Focus on Energy can improve the energy-efficiency programs it offers to schools and government facilities in the future.

[Only if asked for a Focus on Energy contact to verify the survey authenticity, offer Joe Fontaine at 608-266-0910 with the Public Service Commission of Wisconsin.]

_First, I would like to confirm our records._

A2. Our records show that you installed energy-efficient equipment including [MEASURE1], [MEASURE2], and [MEASURE3]. To ensure our records are correct, can you confirm that you installed these upgrades between the fall of 2012 and the end of 2013?

1. Yes
2. No, wrong year [Record correct year, if possible]
3. No, wrong measure [CORRECT BELOW]
